

Temperature Instruments Sensors and

- Temperature Sensors and Instruments
- Temperature Transmitter
- Temperature and Thermo Couple Calibrator
- Thermo cople
- Thermo well
- Heaters and Heater Control Panel

Pressure Transmitter Sensors and

- Pressure Indicator
- Pressure Transmitter
- Pressure Sensor Calibrators

Humidity sensor and Transmitter

- Humidity Controllers
- Humidity Sensor

Signal Convertors

- Mill volt to mA convertor
- Voltage to Current Convertor
- Temperature to Current Convertor
- Frequency to Current Convertor
- Load Cell To Current Convertor

Load cell Sensors and Strain Gauges

- Strain Gauges
- Load Cell Sensors
- Torque Sensors
- Load cell Indicators
- Load Cell Sensor Convertor

Proximity and Photo cell Sensors

- Proximity Sensors
- Photo cell Sensors
- Colour Mark Sensors
-

DC Power Regulated Supply

- DC Variable Power Supply
- DC Regulated Power Supply
- SMPS

AC & DC Drives

- AC Variable Speed Drive
- DC Motor Variable Speed Drive
- AC & DC Motor Control Panel

Other Sensors

- Magnetic Pick up Sensor
- Float Type Level Sensor
- LVDT Sensor
- Encoders

Other Products

- Digital RPM Indicators
- Vibration Meter, Data Logging & Acquisitions
- Temperature Sensors
- Design Micro Controller based Instruments
Input Voltage: 30-600V Available in current ranges 5 A

Automation Control Panel

- Heater Control Panel
- Motor Control Panel
- PLC Automation Control Panel
